Provo eSchool Kindergarten/New Student Registration 2015-2016

Welcome, we are excited for your child to join Provo City School District! The following will provide you with information regarding the registration of your incoming Kindergarten student. Children who will be 5 years old ON OR BEFORE SEPTEMBER 1, 2015 are eligible for enrollment.

Please go to FORMS.PROVO.EDU and complete the application. For registration to be complete both the online information and the 3 items named below must be uploaded and received by Provo eSchool.

- Child’s birth certificate
- Child’s immunization records including dates of all shots, or exemption certificates. Children may register but cannot start eSchool classes until immunizations are up to date* and a copy of the record has been uploaded and confirmed received. Please see the attached immunization letter for more detailed information.
- Proof of Utah Residency (example: utility bill or rental agreement).

The Utah State Office of Education together with the Utah Family Center and the Office of Child Care have developed a pamphlet to support learning readiness before entering Kindergarten. It is available at the following web address:

Provo City School District is interested in alleviating any unnecessary stress to individuals with disabilities. When students with disabilities are beginning school for the first time in a Provo school, they and their parents are encouraged to visit with the eSchool director to identify barriers, which may require adaptations to accommodate their needs. To expedite any such accommodations, early contact with megand@provo.edu would be advisable.

Provo eSchool is located at the Provo City School District Student Services building at 280 W. 940 North in Provo. You may call the office at 801-374-4810 with any questions or concerns.

* The Health Department will be available for immunizations if needed and can identify what are the required immunizations for school registration. Please see the attached letter regarding immunizations. There have been changes for the 2015-16 school year for kindergarten students.
Dear Parents/Guardians:

Utah State Law requires that all children who are entering school for the first time be protected against Diphtheria, Tetanus, Whooping Cough, Polio, Measles, Mumps, Rubella, Hepatitis B, Varicella (chickenpox), and Hepatitis A.

Beginning with the 2015-2016 school year, there will be a new requirement of 2 Varicella (chickenpox) shots or prior history of the disease for kindergarten and 7th grade entry. In addition 7th grade students will also be required to show proof of one meningococcal shot.

Please contact your family physician regarding these immunizations or obtain them by attending the IMMUNIZATION CLINICS conducted by the health department on

Monday, Tuesday and Friday 8:00 am - 4:30 pm,
Wednesday 8:00 am - 7:00 pm, and
Thursday 9:00 am - 4:30 pm.

The Health Department is located at 151 S University Ave, Provo, Utah. No one will be denied required childhood immunization for inability to pay at the Health Department. For detailed information on immunizations clinics, call the Utah County Health Department at 801.851.7025 or visit their website at www.utahcountyhealth.org or www.immunize-utah.org

As per State Law, no child may attend school until the immunizations are completed and the records have been reported to the school. Parents/Guardians who wish to claim a personal exemption for their child/student must visit their local Health Department to complete and sign the Personal Exemption Form and pay a required fee of $25.00 per student. This form will also need to be uploaded for eSchool registration completion.

We want to provide the best learning opportunities for your children and appreciate your support at home. If you have questions about the enrollment process you may call Provo eSchool at 801-374-4810.

Sincerely,

Gary Wilson
Executive Director of Student Services
Provo City School District
